Feedback Report 2021-22
Feedback Type: Offline
Summary of feedback Received:

| Sr. No. | Feedback Category | Total number of Stakeholders Recorded Feedback |
|--------------------|---------------------------|---|
| 1 | Student's Feedback | 457 |
| 2 | Teacher's Feedback | 17 |
| 3 | Alumini Feedback | 14 |

Student's Feedback Analysis:

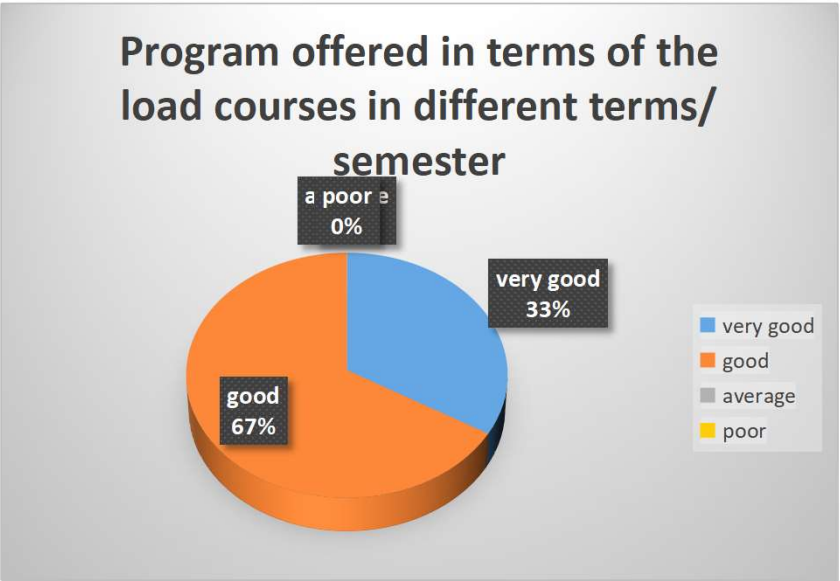

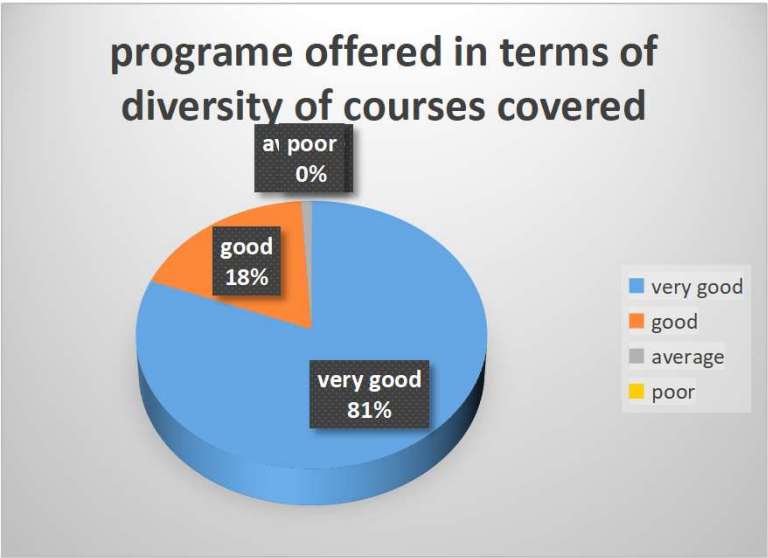

The college is affiliated to the Savitribai Phule Pune University, Pune. A feedback was taken by college from students about the various aspects like curriculum, teaching quality, infrastructure, facilities to enhance the overall development of the college. We collected the feedback form from students of all the departments.

The table given below shows department wise analysis of feedback form.

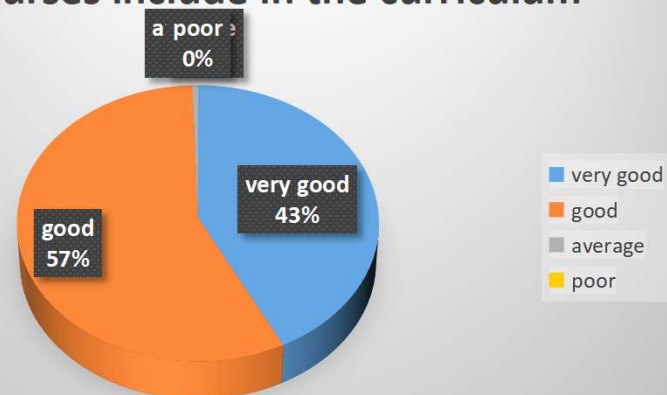

MGV's

To

Dr. S. S. Shinde,
Member,
Board of Studies in Computer Science,
Savitribai Phule Pune University.

I hope this message finds you well. I am writing to provide feedback analysis 2021-22 on the computer science program and specific courses offered from students. Overall, I appreciate the effort put into creating a comprehensive curriculum that covers a wide range of essential topics in the field.

However, I would like to highlight a few areas that more beneficial. Firstly, there seems to be a lots of practical, hands-on experiences in certain courses. Incorporating more real-world projects and practical exercises were enhancing the learning experience and better prepare students for industry challenges.

I believe there is room for improvement in the accessibility of learning resources. Some courses could benefit from clearer explanations, additional supplementary materials, and more interactive learning tools to facilitate better understanding of complex concepts.

I appreciate your consideration of these suggestions and believe that addressing these points will contribute to the continual improvement of the computer science program. Thank you for your dedication to providing a quality education.
