Welcome to Red Hat Academy!

We could not be more excited to begin this collaborative partnership and to empower your students to establish a promising career path within open source and Red Hat technologies. We are committed to providing you with the support and resources you will need as you join an incredible ecosystem of academic Institutions who share a similar passion for their students' lifelong success.

Our program is based on the premise that learning involves not just thinking, but doing. We want to help you challenge students with rigorous curriculum and hands-on labs that will equip them with the enterprise-ready skills needed to reach their highest potential. As we become engaged in your academic mission, we are excited to help you become a differentiator in education and guide your students along a path of success.

At Red Hat, our mission is to be the catalyst in our communities of customers, contributors, and partners, creating better technology the open source way. In a constantly evolving technology market, you are an instrumental part in helping us make a lasting impact on our communities as we believe your students will one day become the future leaders in the industry. As we work together over the coming semesters, we are united around a single vision—to see your students transform, succeed, and gain the education needed to fulfill their dreams.

Thanks again for all of your hard work and dedication to the education of your students. We are so excited to partner with you and to see all of your success as the newest Red Hat Academy!

Sincerely,
