1. Introduction

❖ Organization/Company Profile –

SoftCrowd Technologies is a software development company located at Nashik providing services of software development, web development, mobile application development. We give innovative ideas and modern technologies like IOT, Android to companies. Our strong technical skills understand the customer's needs and develop the best solutions for customers.

❖ Institute Profile – Department of Comp. Science

The Computer Science Department of MGV'S Panchavati College of Management and computer science Nashik was established in 2001-02. It is the foundation and renowned department offering Computer Science and Computer Application Education under Savitribai Phule Pune University, Pune. The aim of the department is to prepare students to enter into the world of technology. The Department of Computer Science offers a 3-year undergraduate course B.Sc. (Computer Science) with an intake capacity of 160 seats, M.Sc(Computer Science) with an intake capacity of 30 seats and BBA(CA)(Computer Application) with an intake capacity of 80 for each class. B.Sc,M.Sc and BBA(CA) program deals with the subjects and topics related to computer science, computer application and its services.

Objectives of Cooperation

The main objective of this MoU is to provide a platform to build a strong and on-going relationship between SoftCrowd Technologies and the Department of Comp.Science and BBA(CA) Department.

The primary goals are –

- 2.1 To develop and foster strategic linkages between the Department of Comp.Science and BBA(CA) Department and SoftCrowd Technologies.
- 2.2 To understand the needs and expectations of both the Institute and the organization and to execute relevant identified activity required to meet the needs and expectations therein.
- 2.3 To help students in their career development.

2. Coordination

Both parties SoftCrowd Technologies and Department of Comp.Science and BBA(CA) shall take all reasonable steps to cooperate and ensure successful implementation of all the measures mentioned in this MoU.

3. Areas for Cooperation

4.1 Participation in knowledge sharing at Department of Comp.Science:
SoftCrowd Technologies shall select and depute Industry experts, Technology specialists, to participate and deliver technical talks on various topics as shall be, jointly, decided by the Department of Comp.Science and BBA(CA) Department and SoftCrowd Technologies. Such talks/lectures shall either be a part of the curriculum or a value-add knowledge for the students. Also these talks may be oriented for the career growth of the student.

4.2 Projects for Comp.Science Students:
SoftCrowd Technologies shall provide students with the real life /industry oriented problem as an academic project. Also guide the students during the various stages of the Project development. The contribution can be extended as the sponsoring projects for students and issue the required documents from time to time. Department of Comp.Science shall guide the students for project development and record the participation of the SoftCrowd Technologies for support to project development.

4.3 Training and Placement support to Department of Comp.Science:
SoftCrowd Technologies shall conduct Training programs, Workshops as and when necessary to help the students to enhance their technical and soft skills. The Department of Comp.Science and BBA(CA) shall coordinate the Training/Workshops activities at their premises using their infrastructure. SoftCrowd Technologies shall recruit competent and potential students of final year Students depending on their annual need and growth plan. This activity shall be governed by their selection process steered, jointly, by the Placement Cell of Panchavati College of Management and Computer Science, Nasik and SoftCrowd Technologies.

4.4 Participation in technical events of Department of Comp.Science:
SoftCrowd Technologies shall consider participation in technical events of the Department of Comp.Science and BBA(CA). Events include National/International conferences, workshops, value-add courses hosted by the Department of Comp.Science and BBA(CA) . The final decision shall be taken on a case to case basis after review and discussion between the two parties.

4.5 Faculty and students- Summer and Winter Trainings and Internships / Industry Visits to students:

SoftCrowd Technologies shall identify, encourage and support the evolving technical competence in students by providing Student Internships and Summer/Winter training to students during their vacation period between successive semesters.

SoftCrowd Technologies shall deploy such students on specific technical works at their development centers. The Department of Comp.Science and BBA(CA) will observe and record the training being taken by the student. SoftCrowd Technologies shall evaluate the quality of the work carried out by the Students and award them with a certificate at the end of the Studentships.

Training and Placement coordinator of Department of Comp.Science and BBA(CA) Department shall coordinate with SoftCrowd Technologies throughout the process including initiation of the Students training request at the appropriate time, selection of students for the training overseeing the technical work carried out by the Students and the evaluation of the work carried out by the Students as might be required by Department of Comp.Science BBA(CA) Department.

4.6 Nurturing Exchange programs:

The Department of Comp.Science and BBA(CA) Department shall foster the Industry-Institute exchange program with respect to the faculty and industry executives to serve in the organizations on an exchange basis. This shall provide the associates of SoftCrowd Technologies and Department of Comp.Science and BBA(CA) with cross-learning opportunities.

4. Confidentiality

Either party guarantees and acknowledges that all information whether in writing or oral or otherwise obtained from other party under this MOU would be kept strictly confidential during the MOU or after cessation, either party shall not divulge, disclose or impart to any third person/organization. The provision of this clause shall survive the termination of this MOU.

5. Miscellaneous

6.1. This MOU shall be valid for a period of 5 years from 03rd January 2022 to 03rd January 2027 and will be signed by the Department of Comp.Science BBA(CA) Department & SoftCrowd Technologies.

This MOU shall be renewed for further term with mutual consent of the two parties. Either party may terminate this MOU by giving 30 days prior written notice to the other.

6.2 Neither party here under shall be liable for any consequential loss or damages arising out of the performance of obligations under the terms of this MoU.

Memorandum Of Understanding

Between

Udyogwardhini Shikshan Sanstha

&

MGV's Panchavati College of Management and Computer Science

This Memorandum of Understanding (hereinafter referred as MOU) is entered between **Udyogwardhini Shikshan Sanstha**, Nashik hereinafter referred to as 'Party A' & which expression shall include its successor and through its authorized signatory assigned from time to time and MGV'S Panchavati College of Management & Computer Science College/Institute hereinafter referred to as 'Party B' which expression shall include its successor and through its authorized signatory assigned from time to time.

Whereas '**Party A**' is engaged in Entrepreneurship & Skill Development and '**Party B**' is an educational Institute offering

Whereas '**Party A**' & '**Party B**' believe that collaboration and co-operation between themselves will promote more effective use of each of their resources and provide each of them with enhanced opportunities.

Whereas the Parties intent to cooperate and focus their efforts on cooperation within area of Entrepreneurship and Skill Development based Trainings, Education and Research

Whereas both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.

I] Purpose & Scope of this MOU: Purpose of this MOU is to create awareness about Entrepreneurship in students, faculty members & society in general. To create technopreneurs amongst them & to help them in all respect to start-up their venture.

II] Mutually Agreed Terms:

'Party A' shall:

1. Conduct awareness program especially for last year students of all streams.
2. Conduct faculty development on Entrepreneurship for the faculty members of 'Party B'
3. Help in establishing ED Cell in respective institute
4. Conduct Entrepreneurship Development Programme for students of 'Party B'
5. "Party A" will help all students to get a required certificate from the Government Authorities to get further assistance.
6. "Party B" will collect mutually decided fees from Students and submit to "Party A"

'Party B' shall:

1. Conduct Awareness Programs for all last year students as well as alumni of the institute.
2. Shall provide necessary & adequate infrastructure at the institutes.
3. Shall make faculty members available for the Faculty Development Programme.
4. Shall promote EDP amongst students by ways of Awareness program, Individual counselling, leaflets, brochures, meetings, messages & phone calls for alumni of the institute.

III] Terms & Conditions of this MOU:

1. This MOU will be in force for a period of 1 (one) year from the date of signing of the MOU.
2. This MOU can be further extended subject to mutual agreement of both parties.
3. Either party may terminate this MOU agreement by signing a prior notice of 1 month to the other party.
4. In case of termination, any of the ongoing training/session/activity must get completed so that participants should not suffer.

5. Intellectual Property: Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copyrights and designs) of the party.

6. Arbitration Clause: Should there be a dispute relating to any respect of academic cooperation, Director Udyogwardhini and Authority (Institute/College), will jointly resolve the dispute in a spirit of independence, mutual respect and shared responsibility.

Report Workshop on PCB Making Design

M.G.V.'s Panchavati College of Management and Computer Science, Nashik had organized a one-day workshop under the Electronics Department on topic PCB Making Design with Guidance of Creative Electronics, Nashik on 22 December 2021 at 10 am to 4 pm. The Program was hosted by Mr. Vipul Sharma, the Executive Mr. Vipul Sharma from Creative Electronics, Nashik given the various kind of workshops on continuous basis to enhance student's practical & technical Skill and to make them compatible with industry.

The workshop was aimed to provide knowledge about complete PCB Designing using simulation tool to test electronics & electrical circuit in software environment & also it fabrication, PCB design software named CAD Soft EAGLE & to make Physical PCB at home so that any students can make project on his own.

Almost 21 Students of B.Sc. (Comp.Sci.) of our college have participate in the workshop. Following contents are covered in workshop

- ✓ Schematic Design
- ✓ Component Footprint Design
- ✓ Integrated Library Design
- ✓ Etching of PCB
- ✓ Soldering of Components on PCB
- ✓ PCB Design & Routing

After attending these workshop students have Expressed about their capability of Designing Special purpose PCB of any Electronics project. This workshop will be helpful for students for circuit development of their final year project. Total 21 students have participated in this workshop, where everyone has got a chance to work individually on a separate PCB.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding, entered between the **Panchavati College of Management and Computer Science, Panchavati, Nashik - 422003**, an educational institute affiliated to the Savitribai Phule Pune University, Pune and offering various educational programmes, here in after referred to as party on the FIRST PART, and

Rise Sharp Technologies ("RiseSharp"), having an address at 5, A Melange Towers, Madhapur, Hyderabad, Telangana

an organization involved in

Placement of the students who have been registered through the portal

herein after referred to as party on the SECOND PART agree and confirm the following:

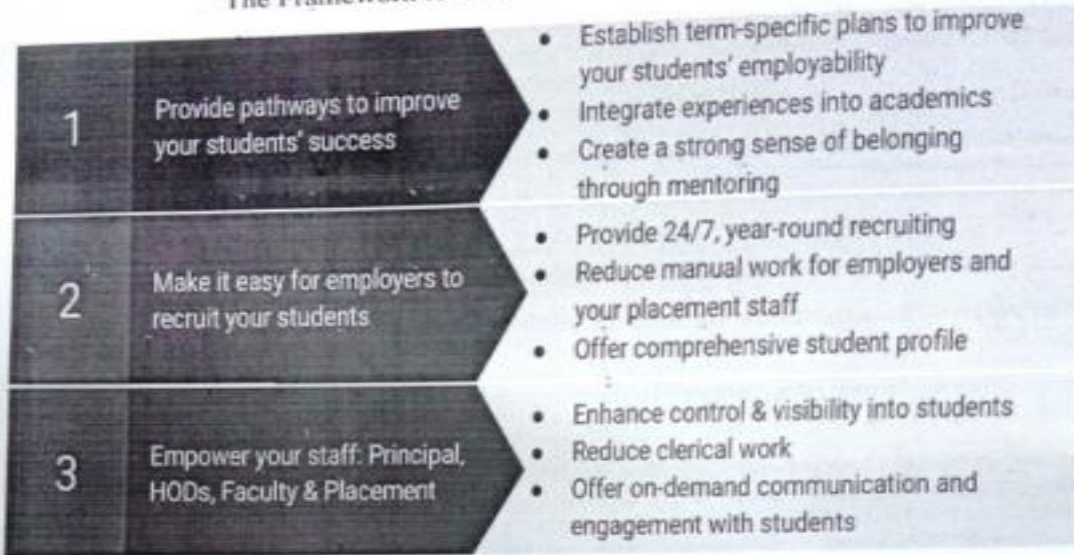

1. **The Panchavati College of Management and Computer Science, Panchavati, Nashik** is conducting courses under the faculty of Science, commerce & Management such as **BBA, BBA(CA), BSC(CS) & MSC(CS)**

2. The above referred College had indicated its desire to enter into an association with **Rise Sharp Technologies ("RiseSharp")**, having an address at 5, A Melange Towers, Madhapur, Hyderabad, Telangana, an innovative platform to elevate an education institution to the next level. RiseSharp was founded with a simple goal of helping college students transition from college to career successfully.

The RiseSharp Platform, a strategic initiative to elevate a higher education institution, helps you:

- **Improve Your Student Outcomes:** Providing pathways to improve your students' success, and helping your students navigate the stressful process of career planning and job search.
- **Attract Employers:** Providing you with a streamlined system to attract and engage with employers. Offers a platform for employers to recruit your students 24/7, year-round, and automates on-campus and off-campus recruiting processes to reduce manual work.
- **Enhance Your Brand:** Improving your brand and reputation in the marketplace through best-in-class career development services infrastructure and improved student outcomes.
- **Gain Visibility & Control:** Empowering your organization with complete control and visibility into your student outcomes and job placement. Providing visibility & control at every level: institution, department, student Empowers institution with on-demand communication & engagement.

The Framework to Elevate, Powered by RiseSharp

In current challenging times, student (& parent) anxiety about not being able to develop the necessary competencies to succeed professionally and find a job upon graduation are at the top. Tackling this challenge is paramount to the success of a higher education institution, and the institution's success depends on the student outcomes. Market leading institutions like yours are turning to new strategies and approaches to maximize their value proposition, through career pathways and mentoring for students and streamlined engagement with employers.

The RiseSharp Platform

The RiseSharp Platform helps your students plan, prepare and pursue the best path to a successful transition from college to career;

1. ASSESS

Conduct assessments to learn about their career goals, interests, values, skills, and preferences.

Features

- Know what's important to them, including criteria for their career selection
- Receive guidance that covers such areas as personality types, motivational traits and top job areas to pursue
- Define and clarify their academic and professional goals
- Explore their career possibilities: identify all the choices that are available to them as they consider their career path, both short-term and long-term
- Review the current market trends, opportunities and challenges impacting their field of interest

2. DEVELOP

Develop strategies to achieve their professional goals, and prepare to increase confidence and motivation to be successful in their job search.

Features

- Develop resume using Resume Builder, including creating a PDF version of resume to post on online job search directories
- Establish a polished, professional online presence (LinkedIn Profile, Profile on Job Search Sites)
- Get interview advice to help learn the art of interviewing: Review interviewing strategies, tips and best practices
- Prepare for a library of most commonly asked interview questions, including approaches to answering them -- Questions on education, Questions on experience, Behavioral questions, Questions about Strengths and Weaknesses, Questions about salary, Open-Ended questions
- Prepare to ask an interviewer questions to show their interest and gauge "fit", including company culture
- Practice mock interview sessions

3. PLAN

Develop the plan, step-by-step, through the complete career planning and job search process.

Features

- Develop job search strategy and timeline
- Map out the best plan of action while in college
- Request appointment with career services office to discuss your career plans, job-readiness and job search plan, or discuss your graduate school plans
- Create a "best fit" companies list matched to their job goals and career interests
- Learn how to research companies and job roles, and how to make the best impression in a competitive job market

- Ask faculty and past employers for reference letters

4. EXECUTE

Connect with employers for job opportunities, including internships and other experiential learning experiences.

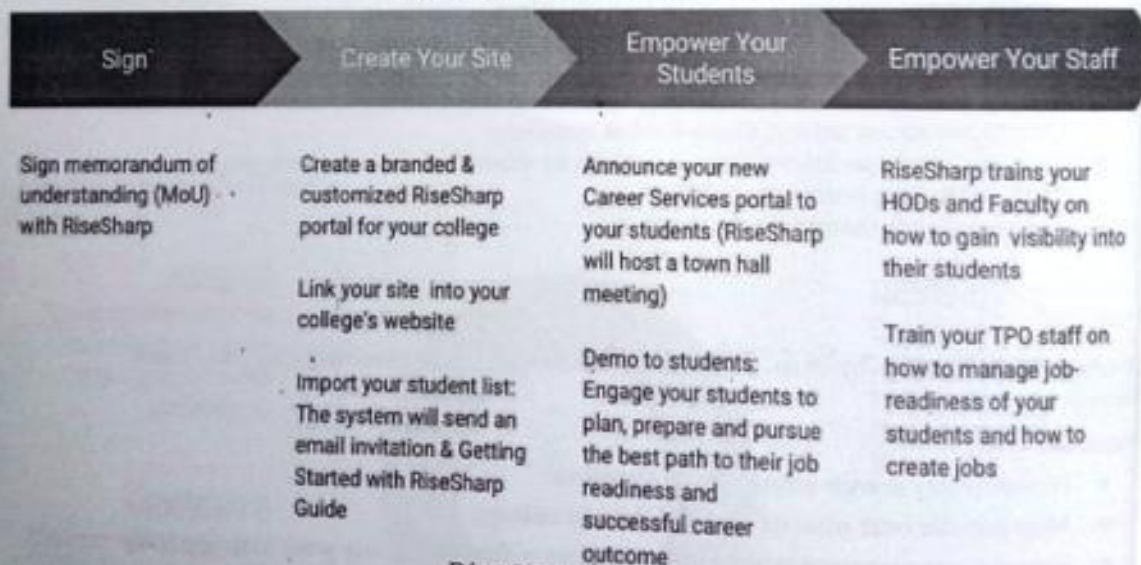

Features

- Leverage the internal and external job boards to identify internship and other job opportunities
- Build professional, Job-Ready skills through class projects, volunteer opportunities, summer internships and other experiential learning opportunities
- Maximize their career opportunities by improving their employment marketability and job opportunities
- Conduct an ongoing progress review to address any job search challenges and to refine job searching strategies & tactics
- Gain access to guidance on follow-up communications and salary negotiation strategies

Onboarding Process

Launching your Career Planning and Development program and portal, powered by RiseSharp, is an exciting time for you and your college. The goal of the RiseSharp's College Onboarding Process is to deploy the solution quickly and successfully working closely with your organization:

Transformation Roadmap, Guided by

Rise Sharp

Dear Rani Tirke,

It is my pleasure to welcome your education institution to the RiseSharp's Career Pathway & Jobs Program. In support of RiseSharp's social mission to improve employability and career outcomes of college students in India, we are offering RiseSharp's solution to your institution and your students for free.

Using RiseSharp, you and your college will be able to achieve the following:

1. Improve employability of your students through the best practices-based Career Pathways, supported by free library of student career planning and development videos and tutorials to equip your students with skills, knowledge and confidence necessary to find the right career and job.
2. Increase quality of placements and student outcomes by attracting new employers and jobs to your college.
3. Enhance your institution's brand by strengthening the relationship with your students, your alumni, and your employers.

We have created a customized portal for your institution. Please go to the following link to access your RiseSharp Portal and learn more about how RiseSharp can help you, your students, and your institution:

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding, entered between the **Panchavati College of Management and Computer Science, Panchavati, Nashik - 422003**, an educational institute affiliated to the Savitribai Phule Pune University, Pune and offering various educational programmes, here in after referred to as party on the FIRST PART, and

Rise Sharp Technologies ("RiseSharp"), having an address at 5, A Melange Towers, Madhapur, Hyderabad, Telangana

an organization involved in

Placement of the students who have been registered through the portal

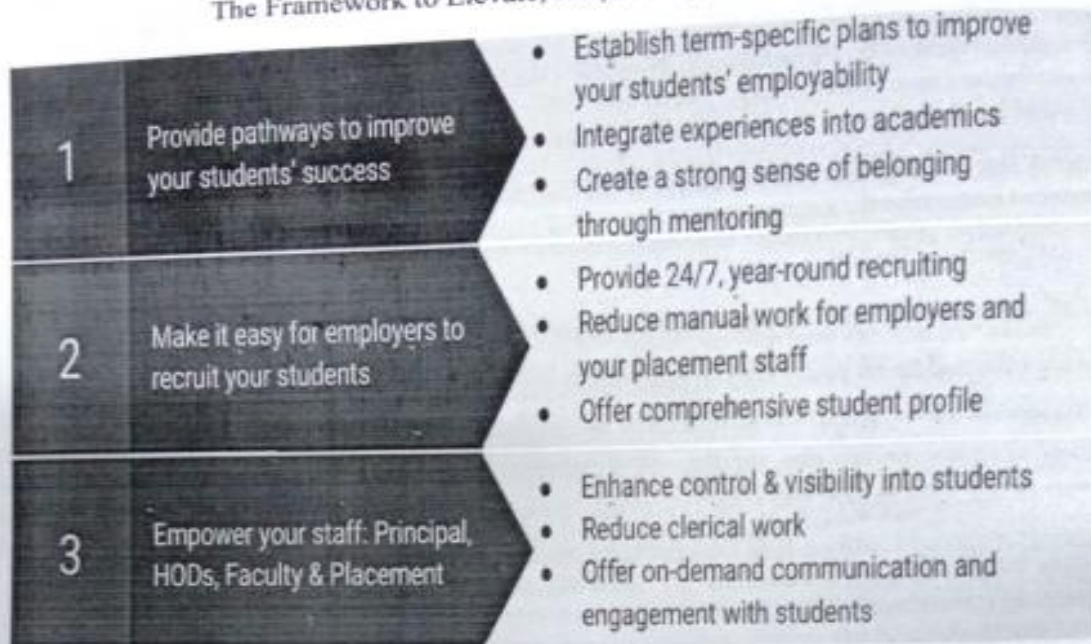

herein after referred to as party on the SECOND PART agree and confirm the following:

1. **The Panchavati College of Management and Computer Science, Panchavati, Nashik** is conducting courses under the faculty of Science, commerce & Management such as **BBA, BBA(CA), BSC(CS) & MSC(CS)**
2. The above referred College had indicated its desire to enter into an association with **Rise Sharp Technologies ("RiseSharp")**, having an address at 5, A Melange Towers, Madhapur, Hyderabad, Telangana, an innovative platform to elevate an education institution to the next level. RiseSharp was founded with a simple goal of helping college students transition from college to career successfully.

The RiseSharp Platform, a strategic initiative to elevate a higher education institution, helps you:

- **Improve Your Student Outcomes:** Providing pathways to improve your students' success, and helping your students navigate the stressful process of career planning and job search.
- **Attract Employers:** Providing you with a streamlined system to attract and engage with employers. Offers a platform for employers to recruit your students 24/7, year-round, and automates on-campus and off-campus recruiting processes to reduce manual work.
- **Enhance Your Brand:** Improving your brand and reputation in the marketplace through best-in-class career development services infrastructure and improved student outcomes.
- **Gain Visibility & Control:** Empowering your organization with complete control and visibility into your student outcomes and job placement. Providing visibility & control at every level: institution, department, student Empowers institution with on-demand communication & engagement.

The Framework to Elevate, Powered by RiseSharp

In current challenging times, student (& parent) anxiety about not being able to develop the necessary competencies to succeed professionally and find a job upon graduation are at the top. Tackling this challenge is paramount to the success of a higher education institution, and the institution's success depends on the student outcomes. Market leading institutions like yours are turning to new strategies and approaches to maximize their value proposition, through career pathways and mentoring for students and streamlined engagement with employers.

The RiseSharp Platform

The RiseSharp Platform helps your students plan, prepare and pursue the best path to a successful transition from college to career:

1. ASSESS

Conduct assessments to learn about their career goals, interests, values, skills, and preferences.

Features

- Know what's important to them, including criteria for their career selection
- Receive guidance that covers such areas as personality types, motivational traits and top job areas to pursue
- Define and clarify their academic and professional goals
- Explore their career possibilities: identify all the choices that are available to them as they consider their career path, both short-term and long-term
- Review the current market trends, opportunities and challenges impacting their field of interest

2. DEVELOP

Develop strategies to achieve their professional goals, and prepare to increase confidence and motivation to be successful in their job search.

Features

- Develop resume using Resume Builder, including creating a PDF version of resume to post on online job search directories
- Establish a polished, professional online presence (LinkedIn Profile, Profile on Job Search Sites)
- Get interview advice to help learn the art of interviewing: Review interviewing strategies, tips and best practices
- Prepare for a library of most commonly asked interview questions, including approaches to answering them -- Questions on education, Questions on experience, Behavioral questions, Questions about Strengths and Weaknesses, Questions about salary, Open-Ended questions
- Prepare to ask an interviewer questions to show their interest and gauge "fit", including company culture
- Practice mock interview sessions

3. PLAN

Develop the plan, step-by-step, through the complete career planning and job search process.

Features

- Develop job search strategy and timeline
- Map out the best plan of action while in college
- Request appointment with career services office to discuss your career plans, job-readiness and job search plan, or discuss your graduate school plans
- Create a "best fit" companies list matched to their job goals and career interests
- Learn how to research companies and job roles, and how to make the best impression in a competitive job market

- Ask faculty and past employers for reference letters

4. EXECUTE

Connect with employers for job opportunities, including internships and other experiential learning experiences.

Features

- Leverage the internal and external job boards to identify internship and other job opportunities.
- Build professional, Job-Ready skills through class projects, volunteer opportunities, summer internships and other experiential learning opportunities
- Maximize their career opportunities by improving their employment marketability and job opportunities
- Conduct an ongoing progress review to address any job search challenges and to refine job searching strategies & tactics
- Gain access to guidance on follow-up communications and salary negotiation strategies

Onboarding Process

Launching your Career Planning and Development program and portal, powered by RiseSharp, is an exciting time for you and your college. The goal of the RiseSharp's College Onboarding Process is to deploy the solution quickly and successfully working closely with your organization:

Transformation Roadmap, Guided by

Sign memorandum of understanding (MoU) with RiseSharp

Create a branded & customized RiseSharp portal for your college

Announce your new Career Services portal to your students (RiseSharp will host a town hall meeting)

RiseSharp trains your HODs and Faculty on how to gain visibility into their students

Link your site into your college's website

Import your student list: The system will send an email invitation & Getting Started with RiseSharp Guide

Demo to students: Engage your students to plan, prepare and pursue the best path to their job readiness and successful career outcome

Train your TPO staff on how to manage job-readiness of your students and how to create jobs

Rise Sharp

This Memorandum of Understanding ("MoU") is made by and between Rise Sharp Technologies ("RiseSharp"), having an address at 5, A Melange Towers, Madhapur,

Ashoka Education Foundation's
ASHOKA CENTER FOR BUSINESS AND COMPUTER STUDIES

Recognized by Government of Maharashtra, Affiliated to Savitribai Phule Pune University (ID No. PU/NS/CS/143/2009)

Memorandum of Understanding

This Educators & Students Exchange Program (ESEP) is made on 01st day of August 2018, by and between:

Ashoka Center for Business & Computer Studies (ACBCS)

AND

Panchvati College Of Management & Computer Science (Panchavati College)

ACBCS and Panchavati College shall be hereinafter be collectively referred to as "Parties" and individually as "Party"

WHEREAS

- A. An educator & student exchange program is a program in which educator & students from different colleges are exchanged for participation in learning opportunities.
- B. The Parties wish to co-operate with each other as per the terms and conditions enumerated in this MoU.

NOW THEREFORE THE PARTIES SET FORTH THEIR PRELIMINARY UNDERSTANDING AS FOLLOWS:

1. Scope

1.1 The scope of this MoU is to provide a framework of reference to build a strong and on-going relationship between parties in various areas of mutual interest and benefit by ESEP.

2 Objectives

To reinforce abstract learning with learning experiences

- i. To enhance students' ability to assess and understand (in a relatively short time) the culture of new groups of people, in order to function effectively as a contributing member of the given community.
- ii. To expose students to the ethos of the campus environment in an international setting so as to establish bench marks against which they can measure the performance of their institution and their personal performance
- iii. To foster staff development.
- iv. To help students to be ambassadors for their institution

2.1 Parties will establish a “**Core coordinating Team**”. The Parties shall ensure that the “**Core Coordinating Team**” comprises of appropriate personnel to discuss and implement the ESEP activities.

2.2 The Parties hereby acknowledge and agree that “**Core Coordinating Team**” will meet at least once in three months (every quarter) to ensure successful implementation of all measures mutually agreed to in the areas mentioned in this Document. Date can be agreed mutually.

4. Responsibilities of Parties.

- a. To provide name of **participants** who will be taking training from **ESEP**.
- b. For odd sem activities can be conducted like
 - i) Experts lecture exchange between agreed units, period: every month for SY students
 - ii) Research paper presentations between agreed units, period: once in sem end for TY students.
- c. For even sem activities may be conducted like
 - i) TY students project external guide exchange period : once a week as per schedule of project completion.
 - ii) TY students project based Expert session with common format of project report, period: once in each unit with identified topics.
 - iii) for SY BBA students Business Exposure PPT based presentation evaluation by external evaluator under exchange program. Period: before end of sem. Common format can be prepared for all agreed units
- d. Utilize the expertise of **expert faculties** in respective units.
- e. All the exchange program activities should be planned keeping in mind the academic calender & it should not disturb the flow of academic activities.

Participating College jointly agree:

- a. To closely work together to bring Expert session & Training opportunities for Students and Faculty.
- b. There shall be no monetary consideration in any activities conducted.
- c. Conveyance for transportation is discretionary at the option of parties.

6. Terms and Termination

- a. This shall come in to effect from , 15/07/2018 and shall remain in effect for a period of twelve (12) months, unless terminated earlier by the Parties. On mutual agreement after a period of twelve months, MOU can be further extended.
- b. Either Party shall have the right to terminate this MOU by giving thirty (30) days prior written notice to the other Party.

7. Confidentiality

7.1 Neither Party shall, without the prior written consent of the other Party disclose to any third party the contents of this MOU or any information obtained by either Party in performance of or in connection with this MOU. The Parties agree to take all reasonable measures to maintain the confidentiality of all such Confidential Information which in no event will be less than the measures it uses to maintain the confidentiality of its own information of similar importance.

7.2 The obligations of confidentiality shall come into effect upon the signing of this MOU and shall survive even after the termination of this MOU.

8. Intellectual Property Rights:

9.1 This policy assures that the intellectual property arising from the activities/ research conducted as a part of this agreement is used in the best interest of all parties.

9.2 All Parties shall retain their respective rights with respect to any equipment's, methodologies, tools and technologies provided hereunder for the purpose of this MOU. Both Parties will ensure that such equipment, methodologies, tools and technologies are used solely for the purpose set out in this MOU.

9. Liability

10.1 Neither party shall be liable for any indirect or consequential loss, damage, cost or expense of any kind whatever and however caused whether arising under statute, contract and tort or otherwise This MoU.

10.2 Both parties shall be liable for direct, loss, damage, cost or expense of any kind whatever and however caused whether arising under statute, contract and tort or otherwise this Mou.

11.1. In the event of any dispute or differences arising at any time between the Parties hereto as to the construction, meaning or effect of this Agreement or any clause or thing contained herein or the rights, duties, liabilities and obligations of the Parties hereto or breach thereof, the parties shall in good faith endeavor to resolve the dispute by mutual discussion

11.2. In the event, the parties are unable to do so, the matter will be settled by arbitration subject to the provision of the Arbitration and Conciliation Act, 1996 and as amended from time to time.

11.3. The Parties agree shall mutually endeavor to appoint a single arbitrator from ACBCS, within a period of thirty (30) days. The appointed arbitrator will be referred for resolution. The arbitration proceedings will held at Nashik and only Nashik court will have Jurisdiction to resolve the matter.

11. **Governing Law and Jurisdiction.**

12.1 This MOU shall be governed by the laws of Republic of India. Any dispute arising in connection therewith shall be submitted only to Nashik, India court have Jurisdiction to resolve the matter.

12. **Binding**

14.1 This MOU shall be binding on the Parties.

14.2 The Parties hereby acknowledges that this MOU is confined to the general terms agreed between the Parties for mutual co-operation.

13. **Entire Understanding**

This MOU contains the entire understanding of the Parties with respect to the subject matter addressed herein and supersede, replace and merge all prior understandings, promises, representations and agreements, whether written or oral.

IN WITNESS THEREOF, the parties hereto have caused this Agreement to be executed by their respective duly authorized representative as of the date first above written

Goal Setting Orientation

Date :13/07/2019

"Goal setting is a powerful process for thinking about the ideal future, and for motivating ourselves to turn our vision of the future into reality. The process of setting goals helps us to choose where we want to go in life. By knowing precisely what we want to achieve, we know where we have to concentrate our efforts."

Goal Orientation is given by Honorable Chairman Sir "Ashokji Katariya" to F.Y. BBA, BBA(CA) and BSc.(C.S.) Students. Our following students attended the program.
