“Shravan Mass-Godaghat Nirmalya Collection & Awareness”

Date:19/08/2023

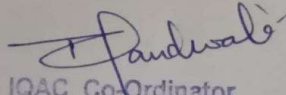

Mahatma Gandhi Vidyamandir Panchavati College of Management and Computer Science, Nashik, by the National Service Scheme Department today. 19/08/2023, Saturday, “Shravan Mass

- Godaghat Nirmalya Collection and Awareness” program was organized. As the month of Shravan is going on, while the devotees are keeping their faith on the holy Godaghat in our city of Nashik, the worship materials are being inadvertently left behind in the Nirmalya river.

While the administration has provided facilities for its preparation, most of the devotees avoid using it. Volunteers of Rashtriya Seva Yojana of this Saathi College took up this activity, in which they had prepared various boards for awareness and some volunteers stood on the Godaghat with them, while other volunteers worked to collect the Nirmalias lying in the water and dispose of it properly.

The Panhalgad group had undertaken this activity, in which the head of the Panhalgad group, Mr. Yogita Singh and Mr. Rahul Howale played an important role and all the volunteers provided the necessary support and carried out the activity properly.

Mahatma Gandhi Vidyamandir's, Panchavati College of Management and Computer Science Nashik - 03 recently conducted the Industrial Visit on February 09th, 2024 at Sahyadri Agro Farm, Mohadi.

The Department of BBA in Panchavati college of Management and Computer Science organised an Industrial Visit for the First Year, Second Year and Third Year students on 9th Feb 2024 at Sahyadri Agro Farm Mohadi.

The visit was planned with the able direction and inspiration of Honorable Principal Dr. Apoorva Hiray, Sir. Prof. Deepak Dandadvte, the vice principal of the management department, and Dr. Nandkumar Mali, the vice principal of the computer science department, have also contributed significantly to this industrial tour with their helpful guidance.

The total number of students were 60 accompanied by Two Professors Dr. Laxmi Karanjikar and Mrs. Sonal Purohit.

Objective of the Visit-

This visit was mainly focused on to understand the Production and Operation Process as well as Concept of Agro Entrepreneurship

Outcome-

The Industrial visit helped us to bridge the gap between Industry and Academics. Students could witness live work of Agro processing Unit ,Plant layout . Students gained first hand information about the manufacturing process right from raw material to final product. Expert of the Company explained the success and growth story of the company which helped us to think on entrepreneur opportunities relating to Agricultural sector.

The visit was successful in achieving its objectives, and the knowledge gained will undoubtedly contribute to the academic and professional growth of the students. We extend our gratitude to Sahyadri Agro Farm for their hospitality and for sharing their expertise with our students.

This industrial visit was a success because of the dedicated efforts of Dr. Laxmi Karanjikar and Mrs. Sonal Purohit, who should be appreciated for giving the students such a valuable experience.
